SILENT WITNESS PROJECT

25 Years

2026 UNVEILING CEREMONY

Please join us for the 2026 Unveiling Ceremony of the Northwest Ohio Silent Witness Project, taking place on Thursday, October 8, 2026, at 6:00 PM at the Toledo Lucas County Public Library's McMaster Center (325 Michigan St., Toledo, OH).

Now in its 25th year, the Northwest Ohio Silent Witness Project continues its mission of honoring the lives of women and girls in our region who were tragically lost to domestic violence.

We invite you to stand with us in remembrance—and help ensure their names are never forgotten.

KEYNOTE SPEAKER

Priscilla Deal Rossi is the sister of 2003 Silent Witness Christina Deal. She will discuss the family's response to Christina's murderer becoming eligible for parole, and their efforts within that system to ensure continuing justice for Christina.
